**Principal's Report**

**School Happenings:** Joyce Hakey gave Kudos to the spelling team. It was a good close contest at the Highgate School. Congratulations to spellers Gage Teague, Denise Berger, Allison Stetson, Wyatt Fregeau, Garrett Fregeau, and Caleb Ploof for their participation. Franklin finished an incredibly close second to Highgate. They had a great turnout for the grandparents' dinner and there were many compliments to Carolyn and Donna. **SBAC:** Joyce showed the board some samples of Math and English Language Arts performance tasks and questions from the computer adaptive test. Joyce showed how challenging the tasks were and was very proud of how hard students worked and that at each grade level they had scored above the state average in each content area. There was discussion about some recent newspaper coverage that had incorrect

information regarding SBAC scores in the county. They tabled the NECAP science until next month.

Joyce has been asked to meet with Peter Clarke, the Act 46 consultant, providing an overview of Franklin School. Joyce had shared the questions for the meeting with the board. Joyce had been collecting some information for school data purposes and had gotten graduation programs from 2002 to 2015. With Franklin representing about 12-15% of the population of MVU, Franklin students were valedictorian or salutatorian 65% of the time for those years.
